July 1, 2005

Dear Dr. Brailer and Mr. Uhlman,

[Name] is pleased to provide this Letter-of-Intent for the RFP “Developing A Prototype for a Nationwide Health Information Network Architecture.” with Uversa Consulting Inc. [Name] will be an active participant in the process.

3-5 sentence description – who you are, what your role is in your "market", what makes you special, how your organization helps patients in urban, suburban, and rural areas. Describe your current roles as a “Safety Net” provider and how your organization assists in the following areas: Urban, Suburban, and Rural. [Name] has been a provider of _____ for many years and has a number of unique advantages for the providing/testing/implementation of _____.

Our organization shares the goals embodied in the RFP of developing a working National Health Information infrastructure. This is a welcome opportunity to participate in a national RFP of this importance. We believe that this RFP is an essential step towards providing better care with fewer errors and lower cost. We believe that [Name] provides an ideal venue to test a proposed NHIN infrastructure.

Sincerely,
